

A STEP BY STEP GUIDE TO USING TELEREG

Freephone 0800 980 8565

Make sure you have your PIN (personal identification number) to hand. You will be asked for it every time you call the freephone number.

- Where possible, start with pedigree animals that you will apply for BCMS directly yourself, then pedigree animals that you wish us to register and send to BCMS and finally non-pedigrees that you wish us to send to BCMS only.
- If you have electronic identity for each animal, please give the number.

You will then be asked for the following information:

1. Ear Tag Number of the Calf
2. Are you applying for a Passport?
3. BCMS Breed Code (The Brown Swiss Breed Code is 31)
4. Date of Birth and calving details
5. Sex of Calf
6. Service details eg Artificial Insemination/Natural Service/Embryo Transfer
7. AI date (if applicable)
8. Embryo Transfer Number/Receipient Dam's Eartag number (if applicable)
9. Twin/Triplet?
10. Name of Sire
11. Sire's Herdbook Number
12. Full Name of Dam
13. Dam's Herdbook Number
14. Dam's Eartag Number
15. Name of Calf
16. Line Number if known

The telephone operator will then give you a herdbook number which completes the registration.
