Information:

Production Awards are fully automated by the Centre for Dairy Information (CDI) using milk records received from NMR and CIS. Therefore all Society members received awards for their qualifying cows.

Register of Merit, Superior Producer and Lifetime Production Awards will automatically be applied to cattle registered in the Herd Book that meet the qualifying standards. No actual paperwork will be issued. The awards will be entered on the Herd Book system and all subsequent certificates of progeny and re-issued certificates will show an animal's awards. This service is free to all members.

Elite Cow Award - to qualify for this award a cow must have a minimum of 2 RM awards and 1 SP award together with a VG or EX classification. There is a charge of £5 for Elite Awards.
